PRESENTED BY
PARTNER AGENCIES
OF THE
FLORIDA
SILVER JACKETS
TEAM

UF|GEOPLAN CENTER

The Florida Coastal Resilience Workshop for planners and engineers is a Florida Silver Jackets initiative to increase community resilience to coastal storms and sea level rise and facilitate compliance with state laws, statutes, and requirements by providing hands-on training with tools developed by state and federal agencies to assess, communicate, and address risk to Florida communities

Certification
Maintenance

AICP members can earn Certification Maintenance (CM) credits for this activity. More information about AICP's CM program can be found at www.planning.org/cm

Certified Floodplain Managers (CFM) can earn Continuing Education Credit (CEC) hours from the Association of State Floodplain Managers (ASFPM) for this activity.
